--

You do not need to provide the total value of the award or your total anticipated grant income within the year though you may wish to do so.

I am a PI in the MRC Centre for Outbreak Analysis and Modelling, Imperial College London.
I am also a theme lead for emerging infections in the NIHR-funded Health Protection Research Unit in Modelling.

4. Major academic collaborators [national and international]: Declare all significant collaborations outside your primary institution or organisation. See section 4 for further guidance.

Sir David Cox, Marian Dawkins (Oxford University)
Christopher Dye et al. (WHO; I was part of the WHO Ebola response team)
Rosie Woodroffe (ZSL)
Kate Jones (UCL)
Elizabeth Wellington (Warwick University)
Scott O'Neill (Monash University)

5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations:

None

6. Political/pressure group associations: Members are expected not to occupy paid posts, or hold high-profile unpaid roles within a political party, pressure group or similar organisation. Any political/pressure group association should be declared. See section 6 for further guidance.

None

7. Family: Provide details of any potential conflicts that may arise out of any known interests of immediate family. See section 7 for further guidance.
Please indicate which section (1-6) above applies. Family members do not need to be identified, either by name or their relationship to you.

My husband is professor in the Mathematics Institute at the University of Oxford and a fellow of St Anne's College.
