-

Please give details of any potential conflicts of interests arising out of the following:

1. Personal Remuneration: Including employment, pensions, consultancies, directorships, honoraria. See section 1 for further guidance.

Salary from University of Aberdeen

Associate Editor, Osteoarthritis and Cartilage

Member, Scientific Advisory Board, Prometheus Tissue Engineering Division, Catholic University of Leuven, Belgium

Strategic Partnership Reviewer, California Institute of Regenerative Medicine, USA

- *Member, International Jury for the Life Sciences, Vienna Science and Technology Fund (WWTF, calls 2011 and 2014), Austria*

2. Shareholdings and Financial Interests in companies: Include the names of companies involved in medical/biomedical research, pharmaceuticals, biotechnology, healthcare provision and related fields where shareholdings or other financial interests. See section 2 for thresholds and further guidance.

- *None*

3. Research Income during current session (financial year) : Declare all research income from bodies supported by the MRC and research income from other sources above the limit of £50k per grant for the year. See section 3 for further guidance.

You do not need to provide the total value of the award or your total anticipated grant income within the year though you may wish to do so.

I receive funding from MRC, Arthritis Research UK, Wellcome Trust and EU

4. Major academic collaborators [national and international]: Declare all significant collaborations outside your primary institution or organisation. See section 4 for further guidance.

Professor Andrew McCaskie (Cambridge University) – UKRMP II (SMART STEP), Arthritis Research UK Tissue Engineering Centre (ARUK TEC)

Professors Sally Roberts, James Richardson and Alicia El Haj (Keele University) – ARUK TEC

Professor Kenny Dalgarno (Newcastle University) – ARUK TEC

Dr Mark Birch (Cambridge University) – ARUK TEC

Dr Paul Genever (York University) – ARUK TEC

Professor Kevin Shakesheff (Nottingham University) – UKRMP II (SMART STEP)

Professor Francesco Dell'Accio (QMUL) – UKRMP II (SMART STEP)

Professor Ruth Cameron and Dr Frances Henson (Cambridge University) – UKRMP II (SMART STEP)

Professor Gerjo van Osch (Rotterdam) – UKRMP II (SMART STEP) and Marie Skłodowska-Curie ITN (TargetCaRe)

Professor Peter van der Kraan (Nijmegen) – UKRMP II (SMART STEP)

- *All academic collaborators*

5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations:

Editorial Board of several journals including Osteoarthritis and Cartilage, Regenerative Medicine, European Cells & Materials Journal, The Open Rheumatology Journal, Arthritis & Rheumatism (until 2013), Frontiers in Craniofacial Biology, Journal of Regenerative Medicine and Tissue Engineering (JRMTE), International Journal of Tissue Engineering

Member, Scottish Translational Medicine and Therapeutics Initiative (STMTI)

Member, Fellowships Implementation Committee, Arthritis Research UK

6. Political/pressure group associations: Members are expected not to occupy paid posts, or hold high-profile unpaid roles within a political party, pressure group or similar organisation. Any political/pressure group association should be declared. See section 6 for further guidance.

- None

7. Family: Provide details of any potential conflicts that may arise out of any known interests of immediate family. See section 7 for further guidance.
Please indicate which section (1-6) above applies. Family members do not need to be identified, either by name or their relationship to you.

- None
