In the past (> 3yrs ago) I have received research grant funding or clinical trials funding from a number of sources including MRC, BBSRC, CRUK, and Candlelighters Children's Cancer Charity as well as from companies such as Ferring, Novo Nordisk, Origio, Serono and Organon.

I perceive no obvious conflict of interest in these relationships for service on the panel.

4. Major academic collaborators [national and international]: Declare all significant collaborations outside your primary institution or organisation. See section 4 for further guidance.

Current collaborators

Prof Bruce Campbell- University Of Nottingham (emeritus)- research collaboration

Prof Adam Balen Leeds Centre For Reproductive Medicine- research collaboration

Dr Roger Sturmey, University of Hull- research collaboration

5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations: This may include non-executive and advisory positions, directorships and other positions of authority. See section 5 for further guidance.
