

REGISTER OF DECLARED PRIVATE, PROFESSIONAL, COMMERCIAL AND OTHER INTERESTS

Please refer to the attached guidance notes before completing this register entry. In addition to guidance on each section, examples of information required are also provided. Where you have no relevant interests in the relevant category, please enter 'none' in the register entry.

Please return this form by e-mail as a word document.

Name:	Michelle Peckham
--------------	------------------

Please list all MRC bodies you are a member of: E.g. Council, Strategy Board, Research Board, Expert Panel etc and your position (e.g. chair, member).

Non-Clinical Training and Career Development Panel

Main form of employment: Name of University and Department or other employing body (include location), and your position.

School of Molecular and Cellular Biology, Faculty of Biological Sciences, University of Leeds
Professor of Cell Biology

Research group/department web page: Provide a link to any relevant web pages for your research group or individual page on your organisation's web site.

<http://www.fbs.leeds.ac.uk/staff/profile.php?tag=peckham>

Please give details of any potential conflicts of interests arising out of the following:

1. Personal Remuneration: Including employment, pensions, consultancies, directorships, honoraria. See section 1 for further guidance.

Professorial Salary from the University of Leeds

2. Shareholdings and Financial Interests in companies: Include the names of companies involved in medical/biomedical research, pharmaceuticals, biotechnology, healthcare provision and related fields where shareholdings or other financial interests. See section 2 for thresholds and further guidance.

None

3. Research Income during current session (financial year): Declare all research income from bodies supported by the MRC and research income from other sources above the limit of £50k per grant for the year. See section 3 for further guidance.

You do not need to provide the total value of the award or your total anticipated grant income within the year though you may wish to do so.

BBSRC A molecular understanding of how stable single alpha helical domains behave as constant force springs in proteins (1 May 2015 – 30 April 2018)

BBSRC Gravitropic setpoint angle control in higher plants (1 Jul 2016 – 30 June 2019)
BBSRC Increasing capacity for high content imaging and screening in biomedical sciences at the University of Leeds (1 April 2017 – 30 March 2021)
MRC Super resolution imaging of protein dynamics and functions in physiology and disease (01 Dec 2013 – 30 Aug 2019)
BHF Understanding how mutations in subfragment-2 of beta-cardiac myosin heavy chain contribute to hypertrophic cardiomyopathy (1 May 2015 – 30 April 2018)
a 3 year MRC project grant due to start by 1 May 2018 - How do mutations in non-muscle myosin 2A cause bleeding disorders and other defects?
A 3 year BBSRC grant Bilateral BBSRC-SFI project grant: Structure-function relationships in the ciliary transition zone (2017 – 2020)

4. Major academic collaborators [national and international]: Declare all significant collaborations outside your primary institution or organisation. See section 4 for further guidance.

Justin Molloy (National Institute for Medical Research) research collaboration
James Sellers (National Institutes of Health, NHLBI) research collaboration
Hari Shroff (National Institutes of Health, NIBIB) research collaboration
Kirsten Verhey (University of Michigan) research collaboration

5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations: This may include non-executive and advisory positions, directorships and other positions of authority. See section 5 for further guidance.

President of the Royal Microscopical Society(September 2016-September 2020),
LSF facility access panel (from Feb 2016), 2 meetings per year
Member of the French ANR 2017 Grant panel (Biochemistry, structural Biology and Molecular Biology)
BBSRC 'ENWW' Strategy panel (2017-2020)

6. Political/pressure group associations: Members are expected not to occupy paid posts, or hold high-profile unpaid roles within a political party, pressure group or similar organisation. Any political/pressure group association should be declared. See section 6 for further guidance.

None

7. Family: Provide details of any potential conflicts that may arise out of any known interests of immediate family. See section 7 for further guidance.
Please indicate which section (1-6) above applies. Family members do not need to be identified, either by name or their relationship to you.

None
