

## REGISTER OF DECLARED PRIVATE, PROFESSIONAL COMMERCIAL AND OTHER INTERESTS

Please refer to the [Medical Research Council guidance notes](#) before completing this register entry. The MRC administers UKPRP calls on behalf of the funding partners and the UKPRP utilises MRC procedures (systems, processes and guidance to applicants and peer reviewers).

Where you have no relevant interests in the relevant category, please enter 'none' in the register entry.

Please note: the information you provide in this form will be published on the MRC website.

<b>Name:</b>	Eva Rehfuess
--------------	--------------

<b>Main form of employment:</b> Name of University and Department or other employing body (include location), and your position.
Senior Scientist, Institute of Medical Information Processing, Biometry and Epidemiology, Pettenkofer School of Public Health, LMU Munich, Germany

<a href="http://www.en.ibe.med.uni-muenchen.de/research/evidence-based-public-health1/index.html">Research Group Evidence-Based Public Health</a> <a href="http://www.en.ibe.med.uni-muenchen.de/research/evidence-based-public-health1/index.html">http://www.en.ibe.med.uni-muenchen.de/research/evidence-based-public-health1/index.html</a>

**Please give details of any potential conflicts of interests arising out of the following:**

<p><b>1. Personal Remuneration:</b> Including employment, pensions, consultancies, directorships, honoraria. See section 1 of the guidance for further information.</p> <ul style="list-style-type: none"> <li>• Employment: LMU Munich</li> <li>• Consultancies: World Health Organization</li> <li>• Honoraria: research funding organisations, i.e. MRC, Norwegian Research Council</li> </ul>
---

<p><b>2. Shareholdings and Financial Interests in companies:</b> Include the names of companies involved in medical/biomedical research, pharmaceuticals, biotechnology, healthcare provision and any other related fields where shareholdings or other financial interests. See section 2 of the guidance for thresholds and further information.</p>
Not applicable.

<p><b>3. Research Income during current session (financial year):</b> Declare all research income from bodies supported by UKPRP partners and research income from other sources above the limit of £50k per grant for the year. See section 3 of the guidance for further information.</p> <p>You do not need to provide the total value of the award or your total anticipated grant income within the year, though you may wish to do so.</p>
<p>Co-Investigator on ESRC grant (2015-2018):</p> <p><a href="https://www.birmingham.ac.uk/schools/social-policy/departments/social-policy-sociology-criminology/research/projects/2017/GRADE-Guidance-for-Complex-Social-Interventions.aspx">https://www.birmingham.ac.uk/schools/social-policy/departments/social-policy-sociology-criminology/research/projects/2017/GRADE-Guidance-for-Complex-Social-Interventions.aspx</a></p>
Co-Principal Investigator on MRC grant (2018-2020):

Adaptation of evidence-informed complex population health interventions for implementation and/or re-evaluation in new contexts: New guidance

**4. Major academic collaborators [national and international]:** Declare all significant collaborations outside your primary institution or organisation. See section 4 of the guidance for further information.

In the UK:

- Universities of Cardiff, Bristol, Swansea: I am on the Scientific Advisory Board of DECIPHer.
- Universities of Cardiff, Glasgow, Sheffield, Stirling: ongoing MRC project (see above).
- University of Birmingham: ongoing ESRC project (see above)
- Long-term collaboration on conceptual work on complexity in relation to public health and systematic reviews with colleagues at the London School of Hygiene and Tropical Medicine, resulting in joint publications
- Long-term collaboration on household air pollution research in low-income countries, resulting in joint publications, and joint teaching ([www.evidencebasedpublichealth.de](http://www.evidencebasedpublichealth.de)) with colleagues at the University of Liverpool

Outside of the UK:

- University of North Carolina at Chapel Hill, United States: I am an Adjunct Full Professor. [https://sph.unc.edu/adv\\_profile/eva-rehfuess-phd/](https://sph.unc.edu/adv_profile/eva-rehfuess-phd/)
- Cochrane Public Health Europe (long-term): <http://ph.cochrane.org/cochrane-public-health-europe>
- Collaboration for Evidence-Based Healthcare and Public Health in Africa (2017-2021) <http://cebha-plus.org/Home.html>
- INTEGRATE-HTA (2013-2015) <http://www.integrate-hta.eu/project-team/>

**5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations:** Due to the range of disciplines involved in the UKPRP, please ensure that any relevant, non-pecuniary interests are declared here. See section 5 of the guidance for further information.

- German Network for Evidence-Based Medicine (convenor of public health group)
- Cochrane Public Health (editor)
- Cochrane Public Health Europe (founding member)
- GRADE Working Group (member)

**6. Political/pressure group associations:** Declare any paid positions, or hold high-profile unpaid roles within a political party, pressure group or similar organisation. See section 6 of the guidance for further information.

Not applicable.

**7. Family:** Provide details of any potential conflicts that may arise out of any known interests of immediate family. See section 7 of the guidance for further information.  
Please indicate which section (1-6) above applies. Family members do not need to be identified, either by name or their relationship to you.

Not applicable.
