

REGISTER OF DECLARED PRIVATE, PROFESSIONAL COMMERCIAL AND OTHER INTERESTS

Please refer to the [Medical Research Council guidance notes](#) before completing this register entry. The MRC administers UKPRP calls on behalf of the funding partners and the UKPRP utilises MRC procedures (systems, processes and guidance to applicants and peer reviewers).

Where you have no relevant interests in the relevant category, please enter 'none' in the register entry.

Please note: the information you provide in this form will be published on the MRC website.

Name:	Hilary Graham
--------------	---------------

Main form of employment: Name of University and Department or other employing body (include location), and your position.
University of York, Department of Health Sciences

Research group/department web page: Provide a link to any relevant web pages for your research group or individual page on your organisation's web site.
https://www.york.ac.uk/healthsciences/our-staff/hilary-graham/

Please give details of any potential conflicts of interests arising out of the following:

1. Personal Remuneration: Including employment, pensions, consultancies, directorships, honoraria. See section 1 of the guidance for further information.
none

2. Shareholdings and Financial Interests in companies: Include the names of companies involved in medical/biomedical research, pharmaceuticals, biotechnology, healthcare provision and any other related fields where shareholdings or other financial interests. See section 2 of the guidance for thresholds and further information.
none

3. Research Income during current session (financial year): Declare all research income from bodies supported by UKPRP partners and research income from other sources above the limit of £50k per grant for the year. See section 3 of the guidance for further information. You do not need to provide the total value of the award or your total anticipated grant income within the year, though you may wish to do so.
NIHR via the Department of Health Public Health Research Consortium (PI on two grants). I am also a member of the Lancet Countdown on Health and Climate Change which is supported by the Wellcome Trust and the Lancet. No income comes to the University of York or to me personally.

4. Major academic collaborators [national and international]: Declare all significant collaborations outside your primary institution or organisation. See section 4 of the guidance for further information.
--

Catherine Law, Institute of Child Health, UCL (no current project grant but CL and I have collaborated on research projects over a number of years)
Lucinda Platt, Social Policy Department, LSE (current project grant)
Heather Wardle, Heather Wardle Research (current project grant)
Nick Watts, UCL (Lancet Countdown on Health and Climate Change, current project grant)

I have been a Co-Investigator on an NIHR HTA grant awarded to Linda Bauld, University of Stirling (2013-2015) with the HTA report and one paper on which we are both co-authors. I have also been a Co-Investigator on an NIHR PHR grant awarded to Karl Atkin, University of York (2014-2015) on which Chris Hatton and Carol Thomas (both Lancaster University) were also Co-Investigators with the NIHR report and one paper on which we are all co-authors.

I am also a collaborator in the Public Health Research Consortium (PHRC), the Director and non-University of York collaborators are:

Mark Petticrew, Director (London School of Hygiene & Tropical Medicine)
Ashley Adamson (University of Newcastle)
Gerard Hastings (University of Stirling)
Catherine Law (University College London)
Chris Power (University College London)
Martine Stead (University of Stirling)
Martin White (University of Cambridge)
Margaret Whitehead (University of Liverpool)
Karen Windle (NatCen Social Research)

Through the PHRC, I have been a Co-Investigator on a project awarded to Amanda Sowden, University of York (2011-2015) on which Mark Petticrew, Chris Power and Martin White were also Co-Investigators. There are three papers on which we are all co-authors.

I am also Co-Investigator on a PHRC project led by Sally McManus, NatCen, no papers as yet.

5. Un-remunerated involvement with and membership of medical, bio-medical, pharmaceutical, healthcare provision or science organisations or health policy/communication and similar activities/organisations: Due to the range of disciplines involved in the UKPRP, please ensure that any relevant, non-pecuniary interests are declared here. See section 5 of the guidance for further information.

Member of the Lancet Countdown on Health and Climate Change
Fellow, British Academy
Member, British Sociological Association
Member, Social Policy Association
Member, Society for Social Medicine
CBE for services to social science

6. Political/pressure group associations: Declare any paid positions, or hold high-profile unpaid roles within a political party, pressure group or similar organisation. See section 6 of the guidance for further information.

Member, Labour Party

7. Family: Provide details of any potential conflicts that may arise out of any known interests of immediate family. See section 7 of the guidance for further information.
Please indicate which section (1-6) above applies. Family members do not need to be identified, either by name or their relationship to you.

I have a son who is a lecturer in the Education Department, University of Exeter.
I have a brother who is an Emeritus Professor, School of Architecture, University of Liverpool.
